

Estonian attitudes on GMOs

Food preferences

If I could choose to buy, I'd buy ...

	2001	2005	
organic food		51%	
Conventional food without GMOs		34%	
Don't care		14%	
Conventional food with GMOs		1%	

How well-informed people feel

I have some information, but I'd like more	41%	33%	-8%
I have no information, but would like to have some	49%	51%	2%

What do you think about growing GMOs in Estonian fields?

Should absolutely not be allowed	19%	45%	26%
Could be allowed under very strict conditions	60%	42%	-18%
Could be allowed under same conditions as in conventional farming	19%	9%	-10%

Would you like to buy GM-food:

Sure	5%	2%	-3%
Maybe	53%	24%	-29%
Certainly not	24%	46%	22%
Don't know	26%	28%	2%
